

Optional: To upload a project file in the submission form for Coolest Projects Malaysia 2024.

Project File Upload Instructions:

You may **upload a programming code file URL** for your project if you think it might help the judges understand your project better.

Please ensure that you **upload your project** to the provided folder and **name your project** document according to the following format:

E.g.: **VP-Sc-ProjectName** (for Scratch)

1. Visual Programming:

VP-[Programming Platform/Software]-ProjectName

2. Hardware:

Hardware-[Programming Platform/Software]-ProjectName

3. Games:

Games-[Programming Platform/Software]-ProjectName

4. Web:

Web-[Programming Platform/Software]-ProjectName

Please **upload the file in the specified format** and then **compress it into a ZIP file**.

To **compress a file into a ZIP format**, you can follow these steps:

Locate the file or folder you want to compress.

1. **Right-click** on the file or folder.
2. Select **"Send to"** and then choose **"Compressed (zipped) folder."**
3. A new **ZIP file** will be created in the same location as the original file.
